Exemption: Reliance on Clause 6 of the Financial Markets Conduct (Climate-related Disclosures—Assurance Engagement) Exemption Notice 2025

Tēnā koe,

This letter is to inform you that AIG Insurance New Zealand Limited (“AIG”) is relying on the exemption in clause 6 of the Financial Markets Conduct (Climate-related Disclosures—Assurance Engagement) Exemption Notice 2025 in respect of its FY24 (1 January 2024 – 31 December 2024) accounting period.

This exemption notice was notified through the Insurance Council of New Zealand on 2 May 2025. Although AIG has relied on NZ CS 2 Adoption Provision 4 in relation to its disclosure of scope 3 GHG emissions, AIG has voluntarily disclosed some information regarding scope 3 emissions. As a result of the application of the exemption, AIG has not sought assurance of its disclosed scope 3 emissions.

There is no change in the Climate Statement documents previously submitted and those now being submitted. The current submission is solely to attach the notice to exemption that was not included earlier.

Please accept this letter as formal notification.

Kind regards,
