To Whom It May Concern,

**Subject: Reliance on Clause 6 of the Financial Markets Conduct (Climate-related Disclosures—Assurance Engagement) Exemption Notice 2025**

This letter is to inform you that AIG Insurance New Zealand Limited (“AIG”) is relying on the exemption in clause 6 of the Financial Markets Conduct (Climate-related Disclosures—Assurance Engagement) Exemption Notice 2025, (as extended in March 2026) in respect of AIG’s FY25 accounting period (1 January 2025 – 31 December 2025).

Although AIG has relied on NZ CS 2 Adoption Provision 4 in relation to its disclosure of scope 3 GHG emissions, AIG has voluntarily disclosed some information regarding scope 3 emissions. As a result of the application of the exemption, AIG has not sought assurance of its disclosed scope 3 emissions.

The amended submission is to attach this letter that was not included earlier, as well as the correct Climate Statement file (the earlier version contained incorrect page number references).

Please accept this letter as formal notification.
